Final Assignment and Exam

Please note that although there is no lecture to listen to in week 11 (week commencing 20th November), this is the week when you will need to complete your final assignment: the 'Sin and Grace Project', which represents 25% of the marks.

* The final exam is a timed exam multiple choice plus two short essay questions. It will be available for you to take from the 27th November, and you have a one-week "window" within which to take the exam. If you wish to take it early, please contact courses@biblicalcounselling.org.uk.
